Re: Chapter Members of North Penn Coordinating Council, Inc.

Please note that York Avenue Home & School Association (EIN 20-3404303) is a chapter member of the North Penn Coordinating Council, Inc. Being a member allows you to utilize the tax exempt and incorporation status afforded to the Umbrella Organization known as NPCC, Inc.

For Pennsylvania state sales tax exemption the number to use on the Pennsylvania Exemption Certificate (REV-1220) form (available from the PA department of Revenue website) is 75626415. This number should only be used for sales tax exemption on purchases; all other business should be conducted using your specific EIN noted above.

Benefits of Coordinating Council Membership

- 501(c)(3) Tax Exempt Organization
- Protections of umbrella organization
- Taxes filed each year and handling of any audits
- Exchange of ideas with other member organizations in the district

As part of the NPCC's Application for group exemption—to extend the tax-exempt status to all subsidiaries without having to file it for themselves, the IRS required that we agree to certain limitations, which are as follows:

- We agree that we will not issue tax-exempt bonds, be involved in low-income, elderly or disabled housing
- We will not use professional fundraisers or telemarketers for fundraising purposes
- We agree that our organization will not conduct BINGO or pull-tab games
- We agree that proceeds from other games of chance will be insignificant compared to our overall fundraising revenues (limited to 5% or less of total gross receipts.)
